

A.I. Enzymes

DESCRIPTION

A.I. Enzymes, available from Medical Wellness Associates, provides a superior combination of natural vegetarian-based enzymes precisely balanced for broad spectrum support of digestive function, or to help maintain healthy joints and muscles in times of peak stress.

FUNCTIONS

Digestive Support: Taken with meals, this plant enzyme blend supports the body’s natural digestive process by promoting the breakdown of protein, carbohydrates and fat.

Musculoskeletal Support: Taken between meals, the enzymes in A.I. Enzymes promote healthy levels of kinins and fibrin, thereby helping to maintain normal muscle and joint function.

- Dual support for digestion and the musculoskeletal system.
- Enzymes that are stable in a wide pH range.
- Enhanced levels of protease, amylase and lipase derived from the digestion of a nutrient source by *Aspergillus oryzae* and *Aspergillus niger*.
- High potency bromelain and papain to further support the protease profile of this formula.
- The flavonoid rutin for protection against oxidative stress

RECOMMENDATIONS

Adults take 2–6 capsules per day, in divided doses, with meals for digestive support. For healthy muscle and joint support, 2–6 capsules per day, in divided doses, between meals.

SIDE EFFECTS

If pregnant or lactating, consult your physician before taking this product. Individuals with an allergy to pineapple or papaya should not take this product. While there is no fungi present in the final product, individuals with candida may be sensitive to this product.

DRUG INTERACTIONS

At this time, there are no known adverse reactions when taken in conjunction with medications.
