

Product Information

NITRIC OXIDE SUPPORT

DESCRIPTION

Nitric Oxide Support, from Medical Wellness Associates, contains arginine, a nitric oxide precursor, to support healthy circulation and delivery of oxygen to working muscles.

FUNCTIONS

- Contains arginine, a nitric oxide precursor, to support healthy circulation and delivery of oxygen to working muscle; protect muscles from oxidation and moderate lactate dehydrogenase activity during intense exercise*
- Delivery forms of arginine offer the Krebs cycle intermediates alpha ketoglutarate and malate for enhanced energy production*
- Provides citrulline to delay the onset of muscle fatigue, maintain acid-base balance, promote aerobic energy production in muscle cells during exercise, and enhance arginine and nitric oxide production*
- Includes vitamin C to enhance nitric oxide activity and provide blood vessel endothelial antioxidant protection*
- May also be used post-exercise to support growth hormone synthesis (for healthy

muscle composition) and ammonia detoxification to delay fatigue*

FORMULA

One scant scoop (5.4 grams) contains:

L-Arginine (from arginine alpha ketoglutarate (2:1)).....2050 mg.
Citrulline (from citrulline malate).....715 mg.
Vitamin C.....200 mg.
Stevia.....30 mg.
Other ingredients: xylitol, natural lemon-lime flavor, Lo Han (Momordica grosvenori fruit extract)

SUGGESTED USE

Adults take one scoop per daily or as directed by physician.

SIDE EFFECTS

No adverse side effects have been reported.

HOW SUPPLIED

NITRIC OXIDE SUPPORT is supplied in bottles of 162 grams.

STORAGE

Store in a cool, dry place, away from direct light. Keep out of reach of children.
